

GENEALOGY RESEARCHER

For those who are researching **Births, Marriages and Deaths** of your ancestors that have connections with the Zoar Church of New Hanover, Illinois. The following information is from the Years of 1847 thru 1953.

The church possess four CD Disks; *Baptizing Book*, (CD Ver.), *Church Book 2 Disk 1*, *Church Book 2 Disk 2*, *Church Book 2 Disk 3*. They contain TIFF pages of the Zoar Church Taufbuch and Kirchenbuch from Latter Day Saints Film #1976581.

These copies can be opened in most photo software to enhance the image for better reading.

This is an index of individuals that are recorded in the two Record Book of the Zoar Church in New Hanover, Illinois. At present it is only the Births, Deaths and Marriages that have been recorded. It is to be used with the four CDs that have copies of the pages of the Record books. It is a interpretation, translation and/or both of the script on the LDS Film # 1976581.

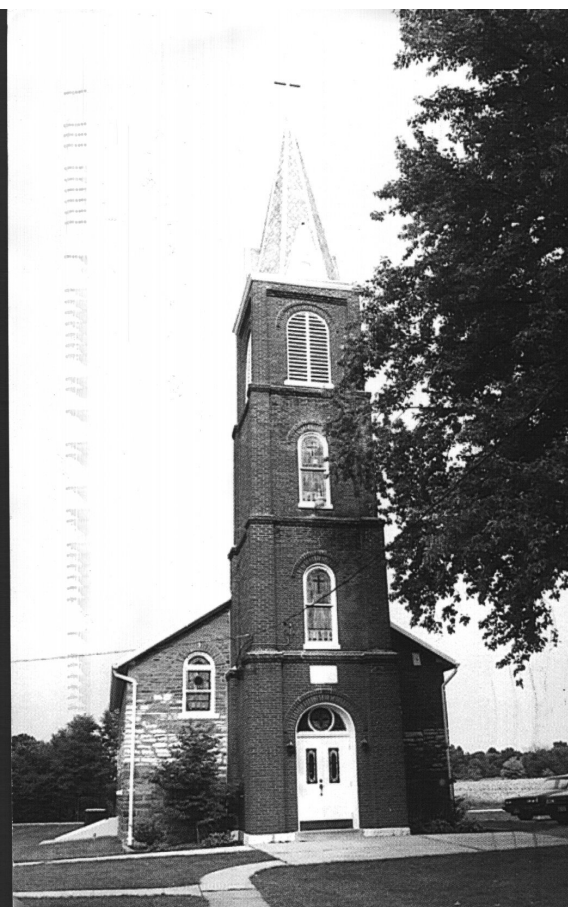

Some of the individuals names change as the years passed. One example were the Boyens and Boiens, so they are recorded as written.

There is a certainty to be some missed or miss recorded in the index.
